

CERTIFICATE AS TO RESOLUTION NO. 01-10 AND ADOPTING VOTE

I, the undersigned, being the duly qualified and acting recording officer of Big Sky County Water & Sewer District No. 363, Montana (the "District"), hereby certify that the attached resolution is a true copy of a Resolution entitled: "A RESOLUTION OF BIG SKY COUNTY WATER & SEWER DISTRICT NO. 363, MONTANA, ESTABLISHING A SEWER SYSTEM JURISDICTIONAL AREA WITHIN THE DISTRICT" (the "Resolution"), on file in the original records of the District in my legal custody; that the Resolution was duly adopted by the Board of Directors of the District at a regular meeting on December 18, 2001 and that the meeting was duly held by the Board of Directors and was attended throughout by a quorum, pursuant to call and notice of such meeting given as required by law; and that the Resolution has not as of the date hereof been amended or repealed.

I further certify that, upon vote being taken on the Resolution at said meeting, the following Directors voted in favor thereof: Skip Radick, Dick Wiggins, Dee Rothschiller, Stewart Peacock, Gary McRae and William Shropshire; voted against the same: _____; abstained from voting thereon: _____; or were absent: Director Wendell Ingraham.

WITNESS my hand and seal officially this 18th day of December, 2001.

Dee Rothschiller, Secretary

RESOLUTION NO. 01-10

A RESOLUTION OF BIG SKY COUNTY WATER & SEWER DISTRICT NO. 363, MONTANA, ESTABLISHING A SEWER SYSTEM JURISDICTIONAL AREA WITHIN THE DISTRICT

WHEREAS, the Big Sky County Water & Sewer District No. 363, Montana (the "District") is a county water or sewer district, validly organized pursuant to Title 7, Chapter 13, Parts 21 and 22; and

WHEREAS, the District was incorporated on August 5, 1993 and is located within the boundaries of Gallatin County and Madison County, political subdivisions of the State of Montana; and

WHEREAS, the Board of Directors (the "Board") of the District adopted Resolution No. 1993-30, on August 3, 1993, which described and set forth all land within the District; and

WHEREAS, the District currently operates both a public municipal water system (the "Water System") and a public municipal sanitary sewer system (the "Sewer System"); and

WHEREAS, the Board has determined that all of the property incorporated in the District will not be served by or benefit from both the Water System and Sewer System; and

WHEREAS, consistent with the provisions of Section 7-13-2208, M.C.A., that only land to be benefited from the District's respective systems should be included in the District boundaries subject to taxes and assessments for improvements to those systems; and

WHEREAS, the Board has determined that there are needed improvements to the Sewer System; and

WHEREAS, the Board has determined that there should be submitted to the electors of the District qualified to vote at bond elections the question of whether or not the Board shall be authorized to issue and sell general obligation bonds of the District in order to obtain funds for the purpose of paying the costs of financing, designing, constructing and installing a wastewater treatment plant, wastewater force main, pumping station(s) and related improvements and appurtenances to the District wastewater system (the "Sewer System"), and to pay costs associated with the sale and issuance of the bonds (the "Project"); and

WHEREAS, that before submitting the question of incurring debt for the Sewer System to the electors, the Board should fix the boundaries within the District of the properties benefiting from the Sewer System; and

WHEREAS, pursuant to a resolution adopted on October 25, 2001, the Board set forth its intention to create a sewer system jurisdictional area, and caused notice to be published and mailed to all persons who own property in the proposed sewer system jurisdictional area that were not included in the original sewer facility plan for capacity; and

WHEREAS, all correspondence received by the Board from owners of property in the District was discussed by the Board at the meeting; and

WHEREAS, after a public hearing on the proposed sewer system jurisdictional area duly noticed and held on November 20, 2001, the Board determined that creating the sewer system jurisdictional area is in the best interest of the District;

WHEREAS, all persons appearing were given an opportunity to speak at the public hearing.

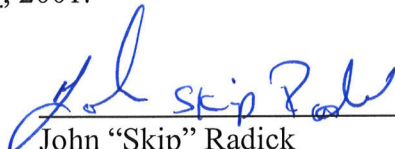

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors (the "Board") of the District as follows:

Section 1. Sewer System Jurisdictional Area. The Board hereby determines and declares that the real property of the District depicted and outlined on the map attached as Exhibit "A" (which is hereby incorporated herein and made a part hereof) is the real property in the District that is benefitted or will be served by and benefitted from the District's Sewer System and which will constitute the District's Sewer System Jurisdictional Area. For the purposes of this Resolution, real property is benefitted by the District's Sewer System if the real property is currently being served by the System or if the District plans to extend central sewer services to the real property and the District has or will create capacity in the Sewer System to serve the real property. The Sewer System Jurisdictional Area shall include but shall not be limited to the list of parcels of real property shown on Exhibit "B" hereto (which is hereby incorporated herein and made a part hereof). Exhibit "A" depicts and establishes the boundaries of the Sewer System Jurisdictional Area, which shall include all real property included within the boundaries, even if a particular parcel is not listed in Exhibit "B".

Nothing herein shall prevent the property in the District not included in the Sewer System Jurisdictional Area from requesting to be annexed to the Sewer System Jurisdictional Area in accordance with Section 7-13-2341, M.C.A.

Section 2. Effective Date. This Resolution shall become effective upon passage.

Passed and approved this 18th day of December, 2001.

John "Skip" Radick
President, Board of Directors
