RESOLUTION:

That on July 17, 1989, the Board of Trustees, Rural Improvement District #305 of Big Sky, Montana, created by Resolution of the Board a revised schedule of user fees, as originally adopted through a 1981 Resolution of the Board and revised through a Resolution of June 14, 1989. These Resolutions were for developments not included in the original Rural Improvement District #305, Gallatin and Madison Counties.

WHEREAS, the existing wastewater collection and treatment facilities were designed and constructed to serve a well defined population and service area.

WHEREAS, these fees would be invested and held for payment for replacements, renewals, upgrades and expansion needs at the plant.

WHEREAS, these fees will be evaluated periodically to keep pace with inflation.

NOW, BE IT FURTHER RESOLVED that after January 1, 1990, all home and condominium developments hooking into the system must pay a fee in the amount of \$1250 per unit. Additionally all commercial developments will also pay a hookup fee per drain. A drain being defined as a kitchen, laundry, bathroom, swimming pool or hot tub.
